Therapeutic & community garden networking
event in association with FCFCG

14th February 2015

10am – 2.00pm

Registration and refreshments from 9.45am

at **The Maxwell Centre,**

St Salvador Halls,

Carnegie Street,

Dundee

DD3 7EW

Do you support people to garden?

Interested in sharing knowledge, skills and good practice?

Want to encourage wildlife in your garden?

Join us at The Maxwell Centre in Dundee. A community and therapeutic garden successful in engaging over 800 young people from local primary schools as well as running a 4 days/ week Summer Gardening Club in school summer holidays. Tour the very productive garden; see the outdoor classroom, space for play, child-sized tools, disabled access etc. Also featuring a Biodiversity in Community Gardens - How to encourage wildlife in your garden workshop.

All Welcome. Free to attend. Tea/Coffee provided

Soup & Sandwiches available for a donation (suggest £3)

Please book using the Booking Form to ensure a place as space is limited.

Trellis knowledge, skills and good practice sharing events for CPD in therapeutic gardening.
