

Gardening for Beginners

14th May 2018

10:00 to 16:00 (Registration from 9.45am)

**'Help Yourself Grow' Fair Deal Training Garden,
At the Jeely Playzone, 55 Machrie Drive, Castlemilk,
Glasgow G45 0AL**

with Joan Wilson

Would you like to develop your own gardening skills and knowledge?

Want to support and develop gardening activity with those you care for or work with?

This informal one-day introductory session looks at how plants grow, what they need, and how to care for them:

- The practical 'make and take' session covers seed sowing, potting on and other fun, easy tasks to do back at base to inspire gardening activity.
- The theory session considers the 5 needs of a plant during its lifecycle, looking in more detail at watering, feeding, growing on, soil pH and structure'.

With lots of opportunity to ask questions, learn through handling plants and compost as well as factsheets and notes to take away.

Remember to bring a box to transport your 'work' home with you. Boxes available on the day £1 donation

Cost (includes lunch and refreshments)

£40 for paying members of Trellis

£50 for projects individuals in the Trellis network

£70 others

Book by 7th May 2018

Booking Form online at www.trellisscotland.org.uk
