

JINGLE BULBS

- *Plant indoors during November for Christmas/New year flowering*

WHAT YOU WILL NEED:

- *Prepared* (bulbs will flower indoors in winter) paperwhite narcissi bulbs (approx. 2 bulbs per person)
- Plastic pint glasses (1 per person)
- Gravel or glass beads or other non porous material to fill 1/3 of each plastic pint glass
- Water to cover gravel in base of container
- Christmas (or other theme) stickers for decoration
- Pipe cleaners (3 per person)
- Pen which writes on plastic e.g. Sharpie

STEP 1

- Write your name on the bottom of the plastic pint glass.

STEP 2

- Use one pipe cleaner to create a collar around the top of the glass. Twist ends together to fix in place.
Twist two pipe cleaners together to create a candy cane effect handle. Twist each end of handle to fix securely to collar.

STEP 3

- Decorate your glass with stickers.
Fill glass with gravel (approx. 1/3)

STEP 4

- Add bulbs.
Add water to just below top of gravel.

Step 5

- Place your bulbs on a windowsill or in a light position. Check water level weekly.
- Enjoy fragrant flowers in 4 weeks time.
